OUR PURPOSE

It is the fundamental belief of the Lutheran Church that growth in faith and Christian life depends upon the continued and regular use of God's Word. Children are brought to faith in their Savior already by Baptism. Through the daily teaching of God's Word, Peace seeks to strengthen this faith and teach the child to apply it to all of life's activities, opportunities, and problems. Peace exists to teach and train the child not only in studies, but also in Christian faith and witness. It exists as a commitment to educate for time and also eternity.

To this end, Peace, through its School Policy Committee, operates and administers a school which is grounded firmly on the love of the Lord in His Son. This foundation permeates all of the activities of the school. A highly professional, well-trained and dedicated staff constantly strives to maintain excellence in education. We believe that Peace Lutheran School reaches its full potential only when the home works with the school in harmony.

Peace Lutheran School of Saginaw, Michigan, admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, and athletic and other school-administered programs.
