I. PHILOSOPHY and ADMINISTRATION

Peace Lutheran School of Saginaw, Michigan admits students of any race, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, national and ethnic origin in administration of its educational policies, admissions policies, and athletic or other school policies.

Peace Lutheran School is a part of Peace Lutheran Ministries. PEACE LUTHERAN MINISTRIES are called and empowered by the Holy Spirit to welcome all people to a personal relationship with Jesus Christ.

A. MISSION/VISION STATEMENT

Vision: Disciples Making Disciples

Peace Lutheran School is a direct ministry of Peace Lutheran Church, both of which are unified entities of Peace Lutheran Ministries. It is our vision to equip students through the means of a high quality Christian education and through the workings of the Holy Spirit to be disciples for Christ. Further, we strive to equip our students to be “disciples making disciples,” answering God’s command in Matthew 28:19 & 20 to “go and teach others about Christ.” We are equipping them for this world and for eternity.

Mission: Gather, Grow, Go

“We are disciples who GATHER, GROW, and GO, to make disciples for Jesus.”

Through the grace of God and the workings of the Holy Spirit, Peace strives to...

GATHER: Peace Lutheran Ministries welcomes any family desiring to grow in faith through the means of a high quality Christian education. All are welcome. “(Jesus) said to them, ‘Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these.’” Mark 10:14

GROW: Peace Lutheran School equips students to be “disciples making disciples” through the means of a rich, challenging, high quality, and faith integrated educational curriculum. It is our commitment to excel in providing a safe Christian environment in which students can grow spiritually, academically, physically, emotionally, and socially to lead lives that reflect Jesus Christ as Lord and Savior. “...grow in the grace and knowledge of our Lord and Savior Jesus Christ. To Him be the glory both now and forever! Amen!” 2 Peter 3:18

GO: Peace Lutheran School seeks to answer God’s command in Matthew 28:19-20: “Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.”

B. WHY PEACE LUTHERAN CONGREGATION MAINTAINS A CHRISTIAN DAY SCHOOL

When Peace Congregation was organized in 1941, its members felt the most effective manner in which to carry out the Lord's directives completely was to provide for a daily program of Christian education which would educate the whole child: body, mind, and heart. It was on the basis of the following passages from Holy Scripture that this was carried out:

GOD'S COMMAND - "Bring them up in the training and instruction of the Lord."
Ephesians 6:4

"These words, which I command you this day, shall be upon your heart, and you shall teach them diligently to your children."
Deuteronomy 6:6-7

GOD'S PROMISE - "Train up a child in the way he should go; and when he is old, he will not depart from it."
Proverbs 22:6

"All thy children shall be taught of the Lord, and great shall be the peace of the children."
Isaiah 54:13

Peace Lutheran School aims first to serve God's children in leading them to know and love their Lord and Savior, Jesus Christ; secondly, to assist the home in the secular and spiritual training of its children, as well as missions and endeavors of concern for their fellow man.

Religion is not a course added to the secular course of studies. Rather, all studies are presented in the light of God's Word, and all subjects become meaningful to the child of God as ways of developing talents for greater service to a loving God who redeemed him/her from sin.

C. CREDO OF PEACE LUTHERAN SCHOOL

WE BELIEVE Christian education is a vital aspect of God's mission-To make disciples of all men-commanded by Him to the church through the great commission.
(Matthew 28: 19-20)

WE BELIEVE the purpose of Christian education is to teach the Christian faith through instruction in God's Word as found in Holy Scripture, and to learn to live a life of discipleship.
(Ephesians 4:15; Matthew 7:24; John 1:12)

WE BELIEVE God's people need to grow to develop their relationship with God and their fellow people.

WE BELIEVE effective education is carried on through quality learning programs which relate the Christian faith to all activities and areas of life.

WE BELIEVE in emphasizing a thorough academic training, on developing morally responsible citizens for this life, and the nurturing of souls for eternity.

WE BELIEVE a Christian educator is committed to provide, to the best of his/her ability, a complete education for God's people by meeting their spiritual, intellectual, social, physical, emotional, vocational, and financial educational needs. (Genesis 2:7; Matthew 4:4)

WE BELIEVE the uniqueness of our Christian education rests in this: Christian education views the student through the cross of Christ; Christian education has the Father's given reasons for educating man. (Proverbs 22:6; Isaiah 54:13) Christian Education is empowered by the Spirit for accomplishing its purpose. Our task is to plant, water, and nurture.

WE BELIEVE the Lutheran school's uniqueness lies in:

- adequate time for Christian instruction;
- the impact of professional, Christian teachers, teaching in a day-to-day Christian environment necessary for Christian education;
- the blessings of the "Body" of Christ at work; and
- meeting the learner's needs.

WE BELIEVE the *FAMILY* exerts the primary influence on the child's total education, and the ministries of Peace must equip adults for their important role in Christian education. Therefore, Peace Lutheran Ministries operates our non-profit school to provide children instruction in all subjects. Instruction is in accordance with the tenets of Biblical faith and in the interest of good citizenship.

D. THE CHRISTIAN HOME

The primary responsibility of training the child still remains within the home. While Peace Congregation has provided for a program of systematic Christian instruction for its children, it does not intend to remove any of the obligation of the parents. Home devotions, parental interest toward church and school, regular attendance at divine services as a family unit, as well as the example of good Christian living set by parents are all very important factors in the total Christian training of the child. We believe parents are the primary faith teachers..

E. LUTHERAN FAMILY VALUES POLICY

Peace Lutheran School is a mission. Peace Lutheran School is operated by Peace Lutheran Ministries. Peace Lutheran Church, also part of Peace Lutheran Ministries, is a member congregation of the Lutheran Church – Missouri Synod (LCMS).

Peace Lutheran Ministries considers Peace Lutheran School to be a Christian mission to its members and to the community. LCMS Christians believe the two-fold purpose of education is to prepare people for life in this world, and more importantly, to "make people wise unto salvation through faith in Jesus Christ." (1 Timothy 3:15)

Christian beliefs, as understood and taught in the LCMS, pervade everything that is done at Peace Lutheran School. Christian instruction is not only carried out formally, but it is integrated into the study of every subject. Students are immersed in a Christian atmosphere and surrounded by teachers, administrators, and school/church employees whose very presence is testimonial to the Lutheran faith and way of life.

The LCMS is a creedal church with definite beliefs on many points of Christian faith. For instance, the LCMS affirms the sanctity of human life, including the life of an unborn child; the importance of stable family life and of fidelity in marriage; and abstention from illegal drugs. The LCMS opposes a homosexual lifestyle and cohabitation or sexual relations outside the marital relationship. These are only some examples of the LCMS's positions on a number of contemporary questions of conduct and morals.

Peace Lutheran School expects school families to act in a way not contrary to, or disruptive of the teachings of the LCMS in matters of religious faith and personal conduct. Family members who are not LCMS members are not required to believe the teachings or confessions of the LCMS. However, family members may not promote beliefs that are contrary to those of the LCMS or otherwise weaken the LCMS Christian atmosphere at the school. Family members are expected to lead personal lives that do not violate the teachings of the LCMS on matters of personal conduct, so that all family members in their daily lives not undermine Peace Lutheran School's mission as an LCMS Christian institution. If a family member of a student or applicant for enrollment challenges LCMS teachings at Peace Lutheran School or conducts his or her life in a way that is contrary to those teachings, the student or applicant may be expelled, suspended, or refused enrollment.

LCMS doctrine and practice are derived from the Christian Scriptures, the Lutheran confessions, and the applicable resolutions of the LCMS. For the purposes of this policy, what constitutes the beliefs and teachings of the LCMS and what actions or conduct constitutes a violation of this policy shall be the final and binding decision of the Director of School Ministries. Family members who are unfamiliar with LCMS beliefs and teachings on any subject should inquire about them from the Director of School Ministries. He or she can refer inquirers to appropriate publications or, if necessary, can arrange for a family member to be counseled by a pastor of Peace.

F. ADMINISTRATION

The Lutheran School system is an integral part of the American educational program. The elementary schools of the Lutheran Church--Missouri Synod date back to the decade of the 1830's, when a number of Lutheran congregations were organized in Midwestern states and established Christian schools for their children. The first of these schools is older than the public schools in most states.

Peace Lutheran School was established in 1941. Peace is a part of the Michigan District of the Lutheran Church--Missouri Synod.

Peace Lutheran Ministries has delegated the responsibility for the operation of the school to the Lead Pastor, Executive Director of Ministries, and Director of School Ministries.

The School Policy Committee formulates, implements, supervises, and evaluates all policies that pertain to the operation of Peace Lutheran School under the direction of the Board of Directors and in partnership/support of the Lead Pastor, Executive Director of Ministries, and Director of School Ministries. The Director of School Ministries is the administrative agent of the congregation and is responsible for the day-to-day operation of the school.

G. FACULTY

Teachers at Peace Lutheran School are certified by the Michigan Department of Education as required by state law. Kindergarten through Grade 8 teachers are also certified, or working towards certification, by the Lutheran Church - Missouri Synod. A number of the faculty members have also earned Master's Degrees.

In addition, Peace is blessed to have additional teaching resources available through shared-time teacher programs. These teachers are certified by the Michigan Department of Education. School administration is actively involved in the selection process of these shared-time teachers.

Our teachers are dedicated men and women who are committed to teaching in a Lutheran, Christian school. Consequently, they are interested in and concerned about the personal welfare of each pupil under their care.

H. ACCREDITATION

Peace Lutheran School follows curricular standards comparable to public schools. Peace Lutheran School meets the educational standards of the state, and is recognized by the Michigan Non-Public School association as a fully-accredited school in meeting State of Michigan educational standards. Peace Lutheran School is also accredited by the National Lutheran Schools Accreditation program, and has been since 1990. In 2018, Peace Lutheran School was awarded School of Distinction by the National Lutheran Schools Accreditation program.

I. RELATION TO PUBLIC SCHOOLS

We greatly respect the public school system for the work they do. Peace Lutheran School does not exist in opposition to the public school system, but for the purpose of supplying Christian education, which the public school by its very nature is unable to provide. Rather than being in competition with the public schools, we seek to work closely with them in fulfilling the responsibilities of education in the community.

J. CHARTERED ORGANIZATIONS

Policy for Chartered Organizations of Peace Lutheran Ministries

Peace Lutheran will permit chartered organizations to operate under its supervision with the specific understanding that the leadership and program operate within our religious doctrine and values. Further, the chartered organization must enhance our ministry and, in no way, take away from

our mission to be “disciples making disciples” as we GATHER, GROW and GO with God’s Word. This policy applies to chartered organizations such as Boy Scouts of America, Girls Scouts USA, and other organizations that operate under a charter held by Peace Lutheran Ministries.

II. ENTRANCE POLICIES

A. WHOM WE SERVE

Though Peace Lutheran School is maintained primarily for the children of Peace Lutheran Church, we offer our program of Christ-centered education to as many as we can accommodate. Enrollments will be considered in the following order:

1. Currently enrolled school families
2. Children of the congregation when one or both parents are members of Peace
3. Children of sister LCMS congregations
4. Children of the community

Peace Lutheran School enrolls students for the next school year normally in late January and early February. An online “Partners in Christ” video and survey is available for currently enrolled families. During the video, the Director of School Ministries shares important information with families regarding the next school year and kicks off the enrollment process. A credit of \$25 per student will be awarded for tuition for the following year, once the video has been watched and the survey is completed.

The school policy is to accept usually no more than a maximum of 24 pupils in each kindergarten classroom. Maximum class sizes are 25 in grades 1-3, and 30 in grades 4-8. These figures are subject to adjustment as deemed necessary by the school administration. In certain circumstances, it is necessary for a classroom enrollment to surpass general limit guidelines. When this occurs, an hour of aide time per day is provided, as available, to the classroom teacher per student over the limit to offer support and to maintain the safety, productivity and positive climate of the classroom. Kindergarten may be provided 6 hours of aide time per week for 20 (or fewer) students. An additional hour of aide time is given for every student beyond 20 students.

Peace Lutheran School does not offer Special Education. However, academic assistance is offered in a Special Needs Program to those who qualify through testing and teacher-recommendation. See *Resource Room* for more information.

B. AGE

As required by state law, children enrolling in Kindergarten must attain the age of five on or before September 1st. Those entering first grade must have reached their sixth birthday on or before September 1st. Peace’s Early Childhood programs follow the same guidelines.

C. CERTIFICATE OF BIRTH

State law requires us to see a copy of the child's birth certificate at the time of registration for school.

D. APPLICATION, REGISTRATION FEE, ENTRANCE EXAM, AND ADMISSION

Those wishing to enroll in Peace Lutheran School must complete, sign, and submit an Application for Enrollment and Parent Covenant through our on-line application system.

Parents must submit the following:

Kindergarten:

- Copy of student's Birth Certificate
- copy of Vision Screening
- Application Fee

1st - 8th Grade:

- Copy of student's Birth Certificate
- Copy of most recent report card/progress report
- Signed Disciplinary Record/Attendance Records from previous school
- Standardized Testing results from previous school
- Copy of an Individualized Education Plan (IEP), academic testing, psychological testing, or any other documents which may impact academic placement.
- Application Fee (non-refundable)

Students seeking Kindergarten admission must schedule an appointment for Kindergarten testing/screening. Screening results are shared with the parents.

Upon completion of the online application and submittal of the Application Fee, students seeking admission to 1st - 8th grade must schedule an appointment for testing/screening to assess appropriate grade placements.

The Director of School Ministries will review applications, report cards, achievement testing, and testing/screening results once all are available and the Application Fee is paid in full.

A family interview will be scheduled with the Director of School Ministries as well. Parents will then be of admission and grade placement. Failure to submit educational documents, specialized instruction placement, special education records, or any testing which would impact a student's placement at Peace may be grounds for admission denial.

Students accepted into Peace Lutheran School are subject to a 6 week probation period for the purpose of ensuring a good educational and social match between the student and the school.

If Peace is unable to accept a student due to the available space or the inability to meet a student's needs, a portion of the Application Fee will be refunded.

E. PREVIOUS SCHOOLING

Peace Lutheran School will send a Release of Records form requesting all records (CA 60, Standardized Testing, Special Education Evaluation/Documentation, etc.) from the previous school. Acceptance is conditional upon the receipt of those records and their indication of probable success in the grade in which the student is enrolling.

F. IMMUNIZATIONS

It is a State of Michigan legal requirement that any students entering a new school such as Peace Lutheran School for the first time, as well as **all** seventh grade students, **MUST** have his/her immunization program brought up to date. This law includes immunizations against diphtheria, tetanus, pertussis, poliomyelitis, rubella, measles, mumps, varicella (chicken pox), hepatitis B and meningococcal. The Director of School Ministries is required by law to suspend any student who does not meet the state's requirements by a certain date. A parent or guardian wishing to exempt his or her child from a particular vaccination must provide a written statement (waiver) indicating the religious or philosophical objections to the vaccination(s) from the child's physician.

III. FINANCIAL INFORMATION

A. SUPPORT

The cost of a full-time Christian education is considerable when including the cost of building, maintenance, salaries, materials, and curriculum. The majority of these costs are shared by all members of Peace Lutheran Church. They do so because they realize the importance of Christian Education for all and in support of our vision: We are "disciples making disciples."

The following Member Support Policy applies to members of Peace Lutheran Church:

MEMBER WORSHIP ATTENDANCE POLICY

Members in Good Standing of Peace Lutheran Church have the privilege of a Peace congregational grant toward tuition rates for Peace Lutheran School and Saginaw Valley Lutheran High School.

Rationale:

1. Peace Lutheran Church contributes a significant percentage of the offerings received in worship services to the cost of operating Peace Lutheran School.
2. Peace Lutheran Church is an association member of Valley Lutheran High School (VLHS).

As such, Peace gives a “per communicant member” assessment to VLHS on a yearly basis from the offerings received in worship services. Therefore, the Member Tuition Policy outlined below applies to VLHS tuition as well.

3. Regular participation in worship and encouragement toward Biblical principles of stewardship will continue to move members of Peace Lutheran Church to support these important Christian education opportunities.
4. Because the contribution to Peace Lutheran School and VLHS changes from year to year, you may contact the Director of Finances for the financial details.

To qualify for the member tuition discount the following criteria must be met:

1. A parent/guardian and the student must be Members in Good Standing of Peace Lutheran Church. To be considered a Member in Good Standing of Peace Lutheran Church, the parent/guardian will have completed adult confirmation classes, or his/her membership will have been transferred from another LCMS congregation.
2. A Member in Good Standing family is defined as having one parent/guardian **AND** an enrolled student who attends weekly (including Lent/Advent/special) worship services 50% of the weeks on a quarterly basis. The number of worship services in any given quarter is defined by the number of worship services that fall within the quarter from the opening to the closing of the school year. Specific Peace dates are published in the School Calendar. Families on tuition assistance are expected to meet the 50% minimum as well.
3. Children in Kindergarten – Grade 5 may attend either Sunday School or a worship service to qualify for Member in Good Standing status. Grades six through twelve must attend worship services to meet attendance requirements. The member shall be responsible for filling out a Quarterly Worship and Tuition Policy Record and turning it in by the published due date at the end of each quarter.
4. Online services are permitted per student or parent for application towards the required percentage (when out of town, ill, inclement weather, etc.). Families are encouraged to minimize the use of streaming and make every effort to worship live and have fellowship with the Peace family. Simply, we want you to be in worship with us.
5. When attending another church and desiring attendance credit for doing so, please attach a worship bulletin to the Quarterly Worship and Tuition Policy Record.
6. The following steps will be taken during the school year:
 - a. The first quarter that the criteria are not met, parents will be informed by Peace that they have not met the “Member in Good Standing” policy.

- b. The second quarter a student/family misses the criteria-the parents will be informed by a letter from Peace that their “Member in Good Standing” status is on probation and a meeting may be requested.
- c. Should the family choose to neglect worship and fail to meet the “Member in Good Standing” criteria for a third quarter, a meeting may be required with a member of our pastoral staff to determine whether or not they will receive the generous congregation grant for Peace School or active member status for Valley Lutheran High School.

Exceptions due to illness or other unavoidable circumstances may be submitted in writing when turning in the Quarterly Worship and Tuition Policy Record for consideration by the pastoral team.

Adopted by the Peace Elders January 2011

Revised by the Peace Elders August 2015

Revised by the Peace Pastoral Team and Elders June 2019

MEMBER WORSHIP AND TUITION POLICY

Consistent with the vision for which Peace Lutheran School was established, all pupils are encouraged to attend worship and Sunday Bible Club or Bible class each week. This is a vital extension of the school ministry in the lives of the children and their families.

In the event a school family does not attend or hold membership in a church, the faculty will actively invite them to attend Peace. The Pastors hold classes regularly explaining the teachings of the Lutheran Church-Missouri Synod. All are cordially invited to attend.

The Worship Schedule is as follows:

Saturday Evening Service	6:30 PM (Lawndale Campus)
Sunday Worship Service Traditional	9:00 AM (Adams Campus)
Sunday Bible Club (Sunday school)	9:00 and 11:15 AM (Adams Campus)
Sunday Worship Service Contemporary	11:15 AM (Adams Campus)
Sunday Evening Youth Worship	5:30 PM (Adams Campus)
Sunday Evening Youth Bible Study	6:15 PM (Adams Campus)
Advent/Lent Wednesday Evening Service	6:30 PM (Adams Campus – during Advent and Lent)

B. TUITION

The Peace Board of Directors has established tuition rates so that those receiving direct benefits will share in the costs. The tuition charged does not cover the full cost of education for each child. The difference is made up by members of Peace Lutheran Church. Tuition and fee rates are listed in Appendix A.

Tuition payments are due to the TADS tuition program on the tenth day of the month, June through May. Payments must be made through TADS either electronically or by mailing TADS a check. Please refer to your TADS Tuition Agreement for details. Any payment that is late will be subject to a late fee by TADS or Peace Ministries including failing to register online for the first payment due in June.

Peace will charge a late fee of \$50 per month for both failure to register and making summer monthly payments.

Students may be excluded from school if payments are over sixty days past due. As Peace Lutheran School includes both our Early Childhood/ChildCare programs and our K-8 Christian school, accounts in arrears may be subject to students being excluded from either program until payments are brought current. Promotions, report cards, and transfer of records will be withheld until all bills are paid in full. **All bills MUST be paid by the last day of school including any charges for K-8 Care for the final week must also be paid at that time. If any fees are outstanding after the last day of school, report cards, diplomas and promotions will be automatically held.** Parents will then need to make an appointment with the school office manager during summer hours to take care of fees or they can be paid through the TADS system if the charges are entered.

Students enrolling mid year will be assessed tuition on a monthly basis based on the annual tuition rates.

Students withdrawing mid year will be assessed tuition according to the last month attended.

Community members who become Peace members mid year will be granted the Peace member tuition grant. The new adjusted rate takes effect the month following completion of member classes giving families an opportunity to become disciples who are active in worship, Bible study, stewardship, and service.

C. ENROLLMENT FEE

At the time of enrollment, each student is assessed an enrollment fee. This fee covers necessary instructional materials. **The enrollment fee is non-refundable.**

Additional book needed that are not included in the enrollment fee are an English Standard Version (ESV) Bible and an "All God's People Sing" for Chapel for grades 2nd through 8th. For grades 6th through 8th, students will need Luther's Small Catechism. All of these books are available for purchase through the school office.

Multi-student families who enroll at the time of re-enrollment, typically late January to early February, may pay an initial fee equal to the cost of the first student. Remaining enrollment fees are then due in May prior to the school year. For new families, all enrollment fees are due at the time of enrollment.

D. DAMAGES

Children are expected to keep their books, desks, classrooms, and playground clean and in good order. They will be asked to reimburse the school for loss as well as for any careless or willful damage to textbooks. Pupils will also be held responsible for school furniture, equipment or school property, which is carelessly or deliberately defaced, damaged, or marred. Textbooks are required to have a book cover.

Book damages will be assessed according to the following general guidelines:

- \$1.00 per damaged page
- \$5.00 per cover damage
- \$15.00 per bookbinding damage
- Replacement cost for a book no longer usable
- Replacement cost for any damaged item that is no longer usable

E. HOT LUNCH

Hot lunch is served daily by the Saginaw Township Community Schools Food Service Department. Parents deposit funds in each student's account which is then debited each time they eat hot lunch or they purchase milk for cold lunch. Questions about account balances should be directed to the Saginaw Township Community Schools Food Service Department at 793-9713. Free and reduced-price lunches are available for those who meet the guidelines established by the National School Hot Lunch Program. Under Free and Reduced guidelines, milk alone is not covered unless included with a hot lunch. Due to Federal regulations, fast food items (purchased from a restaurant) **may not be delivered or brought to students during lunch periods in the cafeteria. Soft drinks are also prohibited.**

F. RETURNED CHECKS

A \$35.00 charge will be added for any check returned to us by the bank for non-sufficient funds or other non-payment. This charge covers our costs assessed by the bank as well as administrative costs. This charge may be raised without notice should our bank raise their fees for NSF checks. Further, an additional administrative fee of \$20 may be charged for each collection effort.

G. TUITION COLLECTION POLICY

The purpose of this policy is to detail the steps that will be taken to collect tuition when a family has not met the tuition obligations.

The school presently contracts with TADS Tuition Management Services to administer the tuition collection process. TADS contacts the family by email and/or telephone whenever a payment is not made by the due date.

Payment status will be monitored by the School and Business Office.

1. Payments are expected to remain current on all accounts as good stewardship is one of our christian values and ministry is directly funded by giving and tuition.
2. A 2nd letter will be sent to families who are 90 days behind in their payments. This letter will remind them again that they are behind in meeting their tuition obligation. It will also state that report cards will not be issued during the school year until the arrears are brought down to one month or less. Final grades will not be released until all payments are made.
3. Applications to enroll and payment of the re-enrollment fee for the next school year will not be accepted from families whose tuition payments are more than 90 days past due until the arrears are brought down to one month or less. Payments prior to that time will be applied toward the delinquent tuition. The 2nd letter referenced above will include a reference to this policy.

Special appeals due to unusual circumstances will be referred to the Pastor, Director of School Ministries and School Policy Chairperson. Together, they are empowered to make exceptions to the policy as deemed appropriate.

Please note: Tuition payments are due on the 10th of the month. Please allow sufficient time for the payment to reach TADS. Overdue payments are subject to a late fee by TADS.

IV. CURRICULAR MATTERS

A. CURRICULUM

In keeping with the purpose of Peace Lutheran School, the Word of God is integrated throughout the curriculum. Our prayer is that the Holy Spirit will use these truths to grow in the children a solid Biblical worldview and assure them of God's promise of eternal life to all believers.

Each day includes a devotion with instruction in Christian doctrine and Scripture. In the lower grades, the religious instruction chiefly consists of learning Bible history and its application to life situations. Systematic instruction in Christian doctrine as outlined in Luther's Small Catechism is added in the upper grades. Memorization of Bible selections, hymn verses, and prayers is carried on in ALL grades.

In keeping with the Christian philosophy of education, reflecting the educational requirements of the State of Michigan, and in keeping with the best practices of the National Lutheran School Accreditation (NLSA) program, our students receive a thorough education in the following subject areas:

CHRISTIAN FORMATION: Instruction includes Bible study with an emphasis on life application, the memorization of Scripture, Church history, the study of Luther's Small Catechism, devotions, multiple worship opportunities, and special services which involve students.

LANGUAGE ARTS: Instruction includes Handwriting, Spelling, Grammar, Writing, Reading, Phonics, Literature, Research, Public Speaking and Listening.

GENERAL SCIENCE: Instruction includes Life, Earth, and Physical Sciences as well as Health and Safety. Engineering concepts are integrated throughout.

SOCIAL STUDIES: Instruction includes Geography, History, Civics, Economics, and current events.

MATHEMATICS: Instruction includes number usage, math procedures and problem solving, algebra, geometry, and metrics.

C. LIBRARY

Our school has a central media center with a large number of books in many fields of interest and learning. Students in each class have regularly scheduled library periods. In addition to this, they have access to the library at other times according to their needs, teacher’s direction, and at the discretion of the media specialist.

D. HOMEWORK / LATE PAPER POLICY

There will generally be homework each evening. The amount depends on the grade level, ability, and student’s time management skills. Parents can help by providing encouragement and a quiet place to study. Open dialog is encouraged between parents and teachers to convey all homework related concerns.

- **K-2nd Homework Policy**

See your classroom teacher for homework policy.

- **3-5th Homework Policy**

Student work is expected to be turned in on time.

- Student work is due the day after it is assigned unless otherwise stated.
- If work is incomplete, late, or missing, the student will receive an LTD (Learning Time Discipline)
 - Each assignment can only count towards one LTD.
 - Students will fill out an ‘Incomplete Homework Form’ during the LTD. Work may not be completed during this time.
 - LTDs take place during lunch/recess period.
 - LTDs will be logged in Jupiter Ed.

- Late work will be accepted until the unit deadline. Deadlines will be determined by the unit pacing and are subject to change due to unforeseen changes in schedules.
 - Late work turned in after the deadline will not be given credit.
 - Five LTDs in one quarter constitutes an ISS (In School Suspension).
 - Eight LTDs in one quarter constitutes an OSS (Out of School Suspension).
 - The end of the quarter resets the cycle.
- **6-8th Homework Policy -**
 If an absence occurs, **it is the responsibility of the student to find out what the assignment(s) was during the absence.** It is not the teacher's responsibility to pursue the student for absent, missing, and/or late assignments.
 - Unless communicated otherwise, assignments are due the next day after being given. If a student is absent, he/she will be given one extra day for the number of days absent to turn the missing work in. Work turned in after this time falls under the late work policy. Late work should be turned in as quickly as possible to avoid an accumulation with the daily assignments when the student is present. If a pattern develops of work not turned in, the teacher will make personal contact with the parents.
 - Each day an assignment is late, there will be a 10% reduction
 - Days 1-3 - up to (30% reduction).
 - Day 4 - the assignment will be assigned a 0% grade
 - Students must contact their classroom teacher to schedule make-up testing times. It is not the responsibility of the teacher to pursue the student to make up tests and quizzes.

Students in all grade levels have the same amount of days to complete absent work as the number of days they are absent. Example; Johnny is absent 2 days because he was sick, he will have 2 days to make up the work. If you are expecting a vacation during the school year, teachers **MAY** be able to prepare work ahead of time but are not required to.

E. ACADEMIC DISHONESTY

As Christians we have some very clear direction regarding the development of our character as redeemed children of God. Our God expects us to be honest with Him, each other, and ourselves.

Academic dishonesty prevents students from fully using their God-given gifts and destroys the trusting relationships which are so important in daily life.

Academic dishonesty is the giving and/or receiving unauthorized aid on any academic work. This includes but is not limited to:

1. copying another student's work.
2. using unauthorized materials during a test.
3. talking with another student during a test.
4. using, buying, selling, stealing, transporting, or soliciting in whole or part, the contents of a test or assignment.
5. plagiarism – uncredited use of another's information or ideas, whether the writing is changed or not.
6. using a website which computes solutions or generates composition for any portion of an assignment, project or paper.

Students who have committed academic dishonesty will be reported to the administration.

Consequences will be:

1st Offense – The student will receive a warning on the test or assignment with 2 days to redo and submit. Parents will be informed of the offense.

2nd Offense – The student will receive a “0” on the test or assignment. A conference will be held with the parents.

3rd Offense – The student will receive a “0” on the test or assignment. The students will be suspended for 1 day.

Subsequent Offenses – The student will receive a failing grade in the class where any subsequent offense occurs and be removed from the class.

These offenses are cumulative over the course of the student's school career at Peace.

Because of the nature of the course, any cheating in a computer class may result in failure for the quarter.

F. MIDWEEK SERVICE HOMEWORK POLICY

Peace Lutheran offers Advent, Lent, and other possible midweek worship services. When these services are offered, it is our prayer that students and their families will attend and participate in

worship. So that homework is not an excuse for absence, it is the policy of Peace Lutheran faculty to assign minimal homework on these evenings.

G. REPORTING TO PARENTS

Official report cards are available electronically four times each year, at the end of each quarter (approximately every nine weeks). Kindergarten standards assessments are posted at the end of each quarter. For a better understanding of the report card and the individual student's progress, parent-teacher conferences are scheduled at the end of the first quarter. All parents are expected and encouraged to attend the fall parent-teacher conference, consult Jupiter grades regularly to monitor their child's current progress, and consult the teacher any time there are questions.

H. GRADING SCALE

A	100 - 93 - Excellent	C	76.99 - 73
A-	92.99 - 90	C-	72.99 - 70
B+	89.99 - 87 - Above Average	D+	69.99 - 67 - Below Average
B	86.99 - 83	D	66.99 - 63
B-	82.99 - 80	D-	62.99 - 60
C+	79.99 - 77 - Average	F	59.99 - 0 - Failure

4 = Exceeds

3 = Proficient

2 = Developing

1 = Beginning

I. HONOR ROLL

Honor Roll awards are given to students in grades 6-8 in recognition of excellent classroom work and achievement. They are given as encouragement to do their best in school and to recognize above average achievement. Students with a modified curriculum may be awarded Honor Roll by the Resource Department as a modified curriculum Honor Roll status.

Honor Roll is awarded in two phases. Recognition is given upon the completion and grades of each quarter. A final Honor Roll is awarded on the last day of the school year based on grades compiled from all four quarters. In order for a student to be considered for the quarterly and year end Honor Roll, he or she must have achieved a standard of High Honors (3.800-4.000 grade point average), Honor Roll (3.600-3.799 grade point average), or any combination thereof, at least three of the four quarters for the year end awards. Actual grade point averages are used and are not rounded. The standards for achieving either type of award are the same. Please note that a student will not be considered for Honor Roll or High Honors if he or she has a grade lower than a 'C' in any subject.

All grades will be used to determine Honor Roll and weighted according to the number of times a class meets per normal full week. For example, a Math class which meets 5 days per week will be weighted as 5/5 or 100% of the student's grade point average (GPA). A Spanish class which meets twice per week will be weighted as 2/5 or 40% of the student's GPA. An Art class which meets three times per week will be weighted as 3/5 or 60%.

Example GPA Calculation:

Math Grade A: 5/5 or 100% - 100%, 100%, 100%, 100%, 100%

Spanish Grade B: 2/5 or 40% - 86%, 86%

Art Grade C: 3/5 or 60% - 76%, 76%, 76%

Total % - 1100 divided by 12 parts = 91.7% or 3.667 GPA on a 4 point GPA scale

At the end of the year, the following awards are given to our 8th grade graduates:

Salutatorian – Second highest combined cumulative grade point average for 7th grade and first three quarters of 8th grade. Combined cumulative grade point average, including 6th grade, is considered in cases of a tie. Actual grade point averages are used and are not rounded. GATE and advanced classes are not weighted to give an advantage.

Valedictorian – Highest grade combined cumulative grade point average for 7th grade and first three quarters of 8th grade. Combined cumulative grade point average, including 6th grade, is considered in cases of a tie. Actual grade point averages are used and are not rounded. Advanced classes are not weighted to give an advantage.

J. PLANNER REQUIREMENTS

Preschool - Grade 1: Teacher chosen processes for communicating assignments, events, and dates with parents are used. Often these communications are included in the classroom newsletter.

Grades 2 – 8: All teachers at Peace Lutheran School promote the teaching and use of organizational skills in the classroom. It is our goal to provide the skills necessary for students to be academically successful. The school supplies planners for grades 2-8 and they will be handed out by the teacher at the beginning of the school year.

K. PROMOTION AND RETENTION

Whenever a student is having problems achieving success in the classroom, the teacher will work closely with the parent(s). If it appears doubtful that the student will be able to be promoted to the next grade, the parent(s) will ordinarily be informed of that at the end of the first semester. The teacher, parent(s), and Director of School Ministries will seek to determine whether promotion or retention would be in the best interest of the child. The ultimate decision of whether or not to promote a student lies with the school.

In order for a student in grades 1 – 8 to be eligible for promotion, he or she must:

1. Maintain an overall grade average of 60% (1.000 GPA) or better in the core curriculum classes.

2. Core curriculum classes include: memory, math, religion, social studies, spelling, science, literature, and English.
3. Failure to meet individual course requirements may jeopardize participation in events and/or promotion to the next grade. Specific requirements will be outlined by individual subject area teachers in writing.

This policy is subject to review, and each student is dealt with on an individual basis.

L. TESTING

In addition to regular subject testing, the NWEA (Northwestern Education Assessment) is administered to students in grades 1 through 8 in the Fall, Winter, and Spring of each year. Kindergarten is tested in the Winter and Spring only. The results are used to gauge student achievement, monitor growth, impact classroom instruction, and to develop a sound teaching curriculum and teaching methodologies. The test results are shared with parents and entered into the student's permanent academic record.

M. PHYSICAL EDUCATION

Every child at Peace is included in some phase of the physical education program. All grades have several gym classes per week, the number depending upon the grade of the child. In these classes they learn various skills and work on physical fitness. Health is incorporated with Physical Fitness class.

N. TECHNOLOGY EDUCATION

Students have technology classes in the computer lab each week. They are taught to use and integrate technology as a tool to assist them in their education. Keyboarding skills, word processing, and Google Apps are an important part of the program. Technology is also available in the classrooms for teacher and student use. Students will use the Internet for accessing the Accelerated Reader program. See technology handbook for more information.

O. OUTDOOR EDUCATION

On alternating years fourth and fifth graders spend three days at the Hartley Nature Center in St. Charles during the school year. They are under the direction of their teacher and the staff from the Center. Their activities are devoted to nature study, geology, and other areas of interest, which can be taught most effectively in an outdoor setting.

P. MUSIC EDUCATION

Early Childhood students receive formal music education twice per week. Students in Grades K - 5 receive two classes per week of general music instruction. Additionally, K-5 students participate in choir. Students in Grades 5-8 also have the opportunity to participate in band and/or choir.

Q. MUSIC PERFORMANCE PARTICIPATION POLICY

It is our goal to instill in our students the values of responsibility, music education, and Christian service to our Lord using the gifts and talents He has given us. Students of Peace Lutheran School are given opportunities to praise God with music throughout the school year. Each performance provides the students with an opportunity to use, exhibit, and further develop the skills they are learning, while promoting the above values, as well as self-confidence and esteem.

Generally, there are six performance opportunities outside of the school day for most grade levels:

- Peace Lutheran Chapel and Church once a quarter (K-5, Junior High Choir)
- Christmas Service (PS-8)
- Fine Arts Festival (PS-5, Band, Junior High Choir)

Additionally, students are given an opportunity to sing during weekly Chapel services at the School.

Band and Choir students may have additional performance responsibilities.

Students are expected to participate in all musical events and performances as this is a direct application of the skills they are learning in class. Students receive academic credit for these performances as they are important to the overall music program.

The Music Department will provide performance dates at the beginning of the school year so that the dates may be reserved. Emails will be sent throughout the year as reminders for upcoming performances. If a circumstance arises where the student cannot attend, notice in the form of a phone call or email from the parent or legal guardian is required to explain the absence. The Music Department reserves the right to make grade adjustments for unexcused absences.

R. FIELD TRIP ATTENDANCE POLICY

Field trips are implemented by the teacher and school as a part of Peace's curriculum. Students are to participate. If cost is an issue, please notify your child's teacher so that a request for financial assistance may be made.

If a student can not participate, the student must then remain home as the field trip is the curriculum for the day. The student will then be marked absent for the day or the time of the field trip. A replacement assignment may be given at the discretion of the teacher.

Parents are asked to assist with transportation and supervision for these activities. Parents attending field trips will be responsible for their own expenses, including any admission fee and transportation costs. Parent drivers must abide by state regulations regarding seat belts, booster seats, insurance, etc.

S. RESOURCE ROOM PROGRAM

Criteria for Students Receiving Resource Room Assistance:

1. Teacher referral
2. Assessment test given by school personnel
3. Team work between school, parents, and student
4. Reinforcement at home
5. Director of School Ministries Approval

Parental notification and contact will be made throughout the remediation process.

Termination of Resource Room Assistance (RRA) will be determined by the Resource Room teacher and Director of School Ministries with input from the classroom teacher and parents. Services may end if the student reaches the classroom level goals as determined by the Resource Room coordinator and the teacher, and also, if appropriate reinforcement is not being provided at home or with outside personnel. Resource Room Assistance (RRA) is a service provided by the school, but is not something available just because the student gets an unacceptable grade (by parent standards) in class. The above listed criteria are the basis for acceptance and for dismissal as explained earlier.

V. CO-CURRICULAR AND EXTRACURRICULAR ACTIVITIES

A. CHOIRS

In addition to the general music curriculum, students are given multiple vocal music opportunities. These various choirs perform at chapel and worship services: Students are expected to be present at the worship services during which their choir is scheduled to sing.

B. BAND

Students in grades five through eight have the opportunity to participate in the band program. A Beginner and Advanced Band meet twice a week under the direction of an instructor from the Valley Lutheran High School Band Program. Students are responsible for purchasing or renting their own instruments.

C. MUSIC FESTIVAL

Since 1966 the Saginaw Bay Thumb Region Lutheran schools have sponsored a Music Festival each spring. Soloists, ensembles, large groups, etc. share their talents with others and are rated on

their performance. Individual and small ensemble participants must cover their own registration costs. The costs for curricular groups will be covered by the school.

D. SPELLING BEES

Each spring Spelling Bees are held for the students of Peace Lutheran School in grades 3 & 4, and 5 - 8. Students are selected through a competition held in each classroom or based on Spelling test grades in 1st or 2nd quarters.

Also in the spring, the Saginaw Valley Lutheran Schools sponsor a Spelling Bee. Representatives from Peace compete with students from other Lutheran schools in the area.

E. FEET OF PEACE

Feet of Peace is a unique dance ministry for grades 3 through 8. The students meet once a week at different times throughout the year. They perform twice a year for the Christmas Program and the Fine Arts Festival.

F. GPS

GPS is a support group for children who are in families that are experiencing a death, divorce, or separation of some kind. Students meet in groups once a week from the end of September to April and do activities and learn about how **God Protects us through Storms**. Each group is run by a trained adult who has gone through training from Rainbows For All Children.

G. DRAMA

Students in grades five through eight have the opportunity to participate in Peace Lutheran School's drama club. The drama club puts on two plays a year, one in the fall and one in the spring. Sometimes opportunities are available for lower grades.

H. ATHLETICS

Peace Lutheran School is a member of the Tri - County Lutheran League and participates with neighboring Lutheran schools in a variety of interscholastic sports. Most sports opportunities are on the sixth through eighth grade level, although some things are also available for the lower grades. Peace fields teams for both boys and girls, basketball, and track. Boys also have soccer in the fall and girls have volleyball and cheerleading/pom pon. The league has also holds a one-day tournaments for boys' volleyball and girls' soccer (**for specific athletic eligibility, please see Peace Lutheran School Athletic Handbook**).

I. EXTRACURRICULAR ELIGIBILITY

Besides their relationship with their Savior, a first priority of students of Peace Lutheran School is academic Christian education. Participation in school sponsored extracurricular activities such as

athletics, plays, class trips (i.e. jr. high class trip), 8th grade graduation service, etc. is a privilege granted to students who are making satisfactory progress in their academic and Christian growth.

In order to participate in extracurricular activities a student must be putting forth satisfactory effort toward his/her academic and Christian growth. Falling grades, incomplete assignments, or lack of concern for academic performance are some evidence of an unsatisfactory effort in the area of academics. Inappropriate classroom behavior, excessive checks/warnings for disturbances or disrespect, or removal from the classroom are some things that give evidence of unsatisfactory effort in Christian behavior and growth.

A student observed displaying a problem in any of these areas may be encouraged by any or all of the following means:

- Admonition by the teacher, which may include a private conference with the student
- Parent(s) are informed of the problem
- If the student has not corrected the problem in the allotted time, the student and parent(s)/guardian will be notified that extracurricular privileges are being withheld. The removal will last until the problem is corrected, but not less than one week.
- Continued ineligibility may result in dismissal from the activity

J. G.A.T.E. (GIFTED AND TALENTED EDUCATION)

Peace offers a GATE program for students who qualify and are invited to participate. Criteria for students receiving GATE services are as follows:

1. Above Average Grades (B average or higher)
2. Scoring Above Average on the most recent Achievement Testing
3. Teacher Recommendation based upon:
 - a. Strong desire to learn
 - b. Demonstrated ability and desire to take academic initiative
 - c. Positive behavior record
 - d. Record of assignments being turned in on time and well done

Once invited to participate, students and parents must sign a GATE agreement indicating that students will participate fully and to the best of their ability and parents will fully support the program. Failure to do so may result in being excused from the program.

1. Students may be asked to make up work that is missed in the classroom; however, the amount of make-up work is reduced as possible and according to the students' ability.

2. A small, prepaid tuition fee per quarter is charged to cover the costs of the GATE , administration, materials, and program costs.

VI. ATTENDANCE MATTERS

A. ATTENDANCE

We want your child in school, and school attendance assists with student success. In accordance with State of Michigan law, it is the parent's responsibility to have their child in attendance whenever school is in session. The Saginaw County Truancy Abatement states 90% or better attendance is required.

Students are to be in school unless circumstances arise such as illness, funerals, or doctor's appointments. If a student is absent for five consecutive days due to illness, a doctor's excuse is necessary for re-admittance to school. Parents must exercise discretion and good judgement when keeping a child home. For their own health, as well as concern for others, students must not be in school when they are ill. Students **may return to school 24 hours after** their temperature has returned to normal or after vomiting has subsided.

Students who are not present in homeroom when school begins (7:45 a.m. K-8) will be marked TARDY. When a student arrives late, the student MUST report to the school office. Students missing three class periods any given day will be marked ½ DAY ABSENT. Four or more missed class periods constitutes a FULL-DAY ABSENCE. Six tardy/late arrivals within a quarter are calculated as one half-day absent for attendance purposes. Students arriving after 10 a.m. or leaving before 1:00 p.m. makes one ineligible for extracurricular activities for that day.

Students leaving early or during the school day and missing less than three class periods will be marked PARTIAL ATTENDANCE. Six partial attendances within a quarter are calculated as one half-day absent for attendance purposes.

Students leaving before school ends must have permission supplied by the parent/guardian. Prior notification of absences is appreciated. Before leaving school property, the parent/guardian is required to sign out the student in the school office and pick the student up from the classroom after obtaining a permission note indicating they have been signed out.

Peace Lutheran School considers reporting to school on time and attendance important. Students who arrive late or leave early not only compromise their own learning but also interrupt the learning of others within their classroom. We ask parents to make every possible effort to have their child arrive to school each morning no later than 7:35 a.m. This allows the students time to prepare for the school day and to be in class ready to learn at 7:45 a.m. We also ask that students remain in school until dismissal normally at 3:15 p.m.

The following process will be used:

1. 3rd tardy, unexcused partial attendance and/or unexcused absence within a marking period: The teacher will send a note or email home to alert the family.
2. 4th tardy, unexcused partial attendance and/or absence within a marking period: The teacher will send a second note or email home to alert the family.
3. 5th tardy, unexcused partial attendance and/or absence within a marking period: The teacher will refer to the Director of School Ministries. A letter of concern will be sent home asking for attendance attendance compliance.
4. 6th tardy, unexcused, partial attendance and/or absence within a marking period: The Director of School Ministries will require an inquiry meeting with the parents. If there is continued tardiness, unexcused partial attendance days and/or unexcused partial absences within a marking period, a report to the Saginaw County Truancy Officer will be submitted.
5. A student having less than 90% attendance at any given time throughout the school year will be considered excessive and may be reported to the Saginaw County Truancy Officer.
6. A combination of 18 tardies, unexcused partial attendance days and/or absences (90%) within a school year may jeopardize promotion. This is decided by the school administration after considering the specifics of every situation.

Attendance Key:

P	Present
A	Absent (unexcused)
AE	Absent Excused
AH	Absent Half Day (Also used for 6th unexcused tardy and/or partial attendance.)
AHE	Absent Half Day Excused
AP	Absent Partial Day
APE	Absent Partial Day Excused
T	Tardy

B. SCHOOL CALENDAR

The school provides the necessary school days each year as required by the Michigan Department of Education. Emergency closing days (snow days, ice storms, flooding, etc.) are determined for the safety of all concerned. Where possible, the schedule attempts to coincide with other school systems in the area. The calendar for the current school year may be found at the school [website](#) and at the end of this handbook.

C. SCHOOL SCHEDULE

The daily schedule of Peace Lutheran School provides the number of hours of instruction to meet state requirements. Classes begin at 7:45 a.m. and students are dismissed at 3:15 p.m.

D. EMERGENCY SCHOOL CLOSINGS

Peace Lutheran School will follow the decision of the Saginaw Township Community School district when closing or delaying the opening of a school day due to inclement weather (snow days, ice storms, fog, etc.) For closings necessitated by reasons other than weather, Peace will make an independent decision and announce it separately. If by chance there is a delay because of fog, grades K – 8 will begin at 9:45 a.m., (there is usually a 2 hour delay), and the 3 yr. old or 4 yr. old preschool class scheduled for that morning would be canceled.

Announcement of such closings or delays will be made on radio stations WSGW, WSAM, WKCQ, WHNN, as well as TV channel 5, 12 and 25, and by the Bright Arrow Messaging System. The TV stations also have websites which post this information. The website for Channel 5 is wnem.com, Channel 12 is abc12.com and Channel 25 is NBC25.net. If an announcement is not made, school is presumed to be in session. It would be wise to check more than one source, since sometimes mistakes are made that are beyond our control.

E. ABSENCE

Whenever a child is absent from school, it is the parent's responsibility to provide a written note explaining the reason for the absence or to call the school with this information prior to 8:30 AM. When the child is absent for more than one day, it is necessary for the parent to inform the school office each and every day. When a student is absent five or more days, a doctor's note is required. Absences without a parent or doctor's note are considered "unexcused."

F. EXCUSES

In addition to parents providing a written or verbal excuse for absences, students coming to school late or leaving early must have a written or verbal excuse. Tardy/late arrival, partial attendance (leaving early or middle of day) without a written, verbal, or doctor's excuse (five or more days) are considered "unexcused." If the amount of excused absences becomes excessive, it will be at the discretion of the school as to whether or not they are excused.

G. STUDENT VACATIONS DURING SCHOOL YEAR

Vacations during the school year are discouraged. In the event that such vacations cannot be avoided or it is a life learning opportunity, Peace allows a maximum of five school days excused with a minimum of one-week notice given in writing. Any additional vacation days are considered "unexcused."

A one-week written notice must be given to the teacher; however, homework may be accessed on line in Google Classroom, Jupiter, or after you return from your trip. Teachers are not required to put together homework in advance. Makeup work is due in accordance with the late paper policy. The teacher will give and grade all makeup tests missed during the absence. These have to be taken within one week after the student returns.

H. MORNING AND AFTERNOON K-8 CARE

A latchkey area is provided for those students who need to arrive between 6:30 AM and 7:35 AM. Students arriving during that time are to go to the Morning K-8 Care area in the Weis Room where they will be under supervision until students are allowed in the halls at 7:35 AM. Afternoon K-8 Care is provided until 6:00 PM. Students must be registered in advance in order to participate in this program. Emergency forms and other paperwork need to be on file for each participant. Parents are billed every two weeks for the number of days that their child has used the K-8 Care program.

I. TRANSPORTATION

Saginaw Township Schools will provide bus transportation for residents of the Township who live more than 1.5 miles from our school. Final determination of eligibility to ride the bus rests with the Township Transportation Department. Routes and pick-up points are also published in the Township Times. A detailed copy of regulations for bus riders and their parents is provided by the Saginaw Township Schools. Failure to follow these rules may result in suspension of bus privileges.

J. DISMISSAL DURING SCHOOL DAY

Occasionally it becomes necessary for a student to leave school during the school day. At such times it is necessary for the parent or other adult providing transportation to come into the building for the student. If the child is ill, he/she will usually be in the school office. Otherwise the adult should go to the child's classroom. This helps us to know who is picking up the child and that the child did indeed leave with an adult. A sign-out sheet is maintained in the school office for this purpose.

VII. DISCIPLINE MATTERS

A. DISCIPLINE

It is important that both parents and teachers have the same understanding about discipline. Both must be working with the child toward common goals by common means, with open and prompt communication between parents and teachers.

The goal is self-discipline. For a Christian, self-discipline is something special, because the Christian is disciplined by the Holy Spirit. The ultimate source of our power, to love others and act responsibly, is God's Holy Spirit.

Self-discipline means having a sense of responsibility, but a Christian in a democratic society has added responsibilities. He must be responsible not only to himself, his community and country, his family, and the rest of the world, but also to God. All of these responsibilities are seen in the light of God's forgiving love shown to us in Christ.

Christian discipline can be thought of as having four parts:

1. Admonition
2. Repentance

- 3. Forgiveness
- 4. New Life

B. RULES OF CONDUCT

The most basic rule for Peace Lutheran School is God's rule of love in Christ Jesus. In following Him, we want to show respect for ourselves, teachers, students, and property. The following are general, basic rules of conduct and demeanor; the principles of Christian love and respect apply in all circumstances. Such respect requires that we:

- **Speak kindly** and **act kindly** so as not to hurt anyone on the inside or the outside.
- Be **honest** at all times.
- **Touch** others only in appropriate ways, whether with hands, feet, or objects.
- **Obey** anyone in authority without showing disrespect in words, tone, or actions.
- **Avoid disturbing** others with noise, tardiness, running, or other distractions.
- Maintain **cleanliness** and clean up messes whether caused by you or someone else.
- **Cooperate** and **work together** to learn and achieve goals.

C. STEPS OF DISCIPLINE

In dealing with problems of discipline and violations of the basic rules of conduct for matters of misconduct, the following steps based upon a three strikes concept will be followed within an academic quarter; however, the school reserves the right to jump steps according to the nature of the student's misconduct:

1. Admonition by the teacher, which may include a private conference with the student, classroom time out, recess detentions or other classroom consequences according to the teacher's classroom management plan (LTD). The teacher may choose to give the student grace based on the circumstances. Repeated misbehaviors are not acceptable.
2. Parent(s) are informed of the problem. The incident will be documented.
3. Detention is assigned. The incident will be documented.
4. A second detention is assigned. The incident will be documented.
5. Student is referred to administration (Discipline Referral) for an "in-house" suspension.
6. Student is referred to administration for an "out-of-school" suspension.

7. Student is referred to administration for an extended “out-of-school” suspension and possible “Probation Status.” Probation Status means that a student has been placed on “Behavior Status” and the terms of his probation will be recorded in a probation letter. Continued misconduct may result in expulsion.
8. Student is referred to administration for possible recommendation for expulsion.

Normally, at the end of an academic quarter, a student will start over with a clean slate; however, in cases of habitual misconduct, a student may be placed on Behavior Probation and this right is waived.

D. CATEGORIES OF MISCONDUCT

The specific categories of misconduct which will result in penalties include the following but not limited to:

1. Continued Violations of the Basic Rule(s) of Conduct – the act of not conforming one’s behavior to the basic rules of conduct and discipline, and principles of Christian love and respect for persons and property, as described above.
2. Theft – the act of dishonestly acquiring, and/or knowingly and willfully having in possession, the property of another or others.
3. Arson – the intentional wrongful burning of, or attempt to burn, any building, contents, or property on school or church property, or at a school function.
4. Physical Assault/Battery – the act of intentionally touching another individual in a wrongful manner on school property, going to or from school, or at a school function.
5. Fighting – the act of quarreling, which may include fisticuffs or other wrongful bodily contact, on school property or at a school function.
6. Harassment – unfavorable treatment of others verbally, physically, and/or via the internet or other electronic devices. This includes communications outside of the school that affects the school’s social or academic environment. Harassment includes but is not limited to teasing, taunting or ridiculing; any racial, socio-economic, physical characteristics or sexual orientation attacks; provocations intended to inflict emotional scars; spreading of rumors intended to cause damage to another’s reputation; or any other communication/action that causes a student, faculty, or staff member distress.
7. Sexual Harassment – unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal or physical conduct of a sexual nature that substantially interferes with an individual’s peace and happiness at school or at a school function, or which creates an intimidating, hostile, or offensive environment at school or at a school function.

8. Threats – the act of intentionally threatening another individual’s mental or physical well-being, or willfully causing fear or apprehension in another, whether by words, graphic depiction, or conduct.
9. Bullying – bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. (www.stopbullying.gov; *A federal government website managed by the U.S. Department of Health & Human Services*)

Simply, if all of the following four statements are true, students are asked to report as bullying.

1. Issue has happened over and over again
2. The same people are involved
3. What happened was on purpose
4. It hurt (body or feelings)

If all four statements are not true, the issue is considered “social unkindness.” If there is a back and forth aggression, it is then considered “social aggression.” Students are asked to use the guidelines for “conflict resolution” to attempt to resolve these issues. If this is done and the behaviors continue, this is not considered tattling. Rather, the student is encouraged to tell their teacher or adult and have them assist working through the steps for conflict resolution under our Dignity Revolution program.

10. Insubordination – the willful failure to obey a reasonable request by a staff member or other person placed in a position of authority.
11. Disrespect – Disrespect is all about not showing respect. It’s about showing the opposite of respect, by acting rude, impolite, and offensive. Disrespect to adults as well as peers is not acceptable. The following are examples of behaviors that Peace Lutheran School considers disrespect:

- Insubordination (failure to comply)
- Talking back
- Being argumentative
- Poor attitude
- Rude tone of voice
- Raising voice
- Attempting to intimidate verbally, physically or invading personal space
- Rolling of eyes
- Talking when someone else is speaking or while a teacher is teaching
- Intentional inattention to teaching or directions
- Whispering in front of adults or peers
- Shrugging shoulders

- Not responding to questions
 - Failure to acknowledge adults or greet them
 - Rude behaviors
 - Intentional poor manners
 - Intentional destruction of school/personal property
 - Leaving the classroom without permission
 - Abusing bathroom privileges
12. Vandalism – the act of willful destruction of school or church property or property belonging to another or others on school property or at a school function.
 13. Profanity and Obscenity – the act of using profane or obscene language (oral or written), gestures, pictures, or conduct on school property or at a school function.
 14. Weapons and Incendiary Devices – the possession of any weapon, using, or threatening to use any weapon, including but not limited to guns, knives, bombs, incendiary devices etc. is not allowed. Students in possession of such weapons may be suspended immediately and could face expulsion after a hearing with the School Policy Committee.
 15. Controlled Substances – the possession, use, or transfer of drugs, alcoholic beverages, or other controlled substances as well as the wrongful possession, use, or transfer of other substances that alter behavior (e.g. glue-sniffing). Any substance that mimics a controlled substance (e.g. near beer) is also included. Students in possession of such substances may be suspended immediately and could face expulsion after a hearing with the School Policy Committee.
 16. Tobacco – the possession, use, or transfer of tobacco in any form.
 17. Disruption – the continued disruption of the educational process or the continued disruption of orderly procedures involved in any school activity.
 18. Cyber bullying – includes, but is not limited to, the following misuses of technology: harassing, teasing, intimidating, threatening, defaming or terrorizing another person by sending or posting inappropriate and hurtful email messages, instant messages, text messages, digital pictures or images, or any form of social media.

E. RESULTS OF MISCONDUCT

Misconduct, as defined above (and such other misconduct not specifically defined above but as may be determined by the Director of School Ministries after consideration of all the circumstances), will result in a DISCIPLINE REFERRAL to the Director of School Ministries with penalties. The penalty(s) which applies will be determined depending on the severity of the misconduct and after consideration of all of the circumstances underlying the matter. Misconduct will result in one or more of the following consequences:

1. Admonition – A warning to the student with notification to the parent(s) with or without appropriate consequences.
2. Separation from Class – The student is separated from the class for a period of time determined by the teacher or Director of School Ministries (if involved)
3. Recess Detention – A student may be removed from recess to serve a recess detention. Students will be asked to write an “Action Plan” in which they confess what they have done wrong, suggest what they should have done and what they will do in the future.
4. Detention – A student may be asked to serve a before school or after school detention. Parents are notified and normally given a day’s notice.
5. In-School Suspension – The student is suspended from classes but remains in the building under supervision. The parent(s) or legal guardian is notified.
6. Suspension – The student is removed from class for the balance of the school day, and the student shall after a decision by the Director of School Ministries be suspended from attending school for a specified period of one to five school days. A meeting is held between the student, parent(s), teacher (if involved), and the Director of School Ministries as soon as possible to discuss the nature and severity of the matter, and to take steps to ensure that no further misconduct will occur, and the Director of School Ministries solely shall make a determination as to an appropriate term of suspension. A student suspended from school (OSS) will not participate in or attend any Peace-sponsored activity or event for the duration of the school suspension.

A suspension, whether in-school or out of school, is a serious consequence. The homework and the grading of it will be affected by the suspension.

All homework that is assigned while a student is serving a suspension will be subject to a 10% penalty for each day of the suspension with a maximum penalty of 30%. If a one-day suspension occurs, a 10% penalty will be assessed to all work. If a two-day suspension occurs, a 20% penalty will be assessed to all work. If a three-day suspension occurs, a 30% penalty will be assessed to all work. Any penalties beyond three days will have a 30% maximum reduction. This will be applied to all daily work, quizzes, tests, and projects that are due during the suspension.

Suspensions and probation may be recorded on a student’s permanent record by the school Director of School Ministries; however, this is normally only done when a behavior is habitual and improvement has not been noted.

7. Automatic Suspension - Misconduct which is determined by the Director of School Ministries, after consultation with the teacher (if involved), to be particularly serious, or a threat to the well-being of others, may result in an automatic suspension of up to five days. The student is removed from class for the balance of the school day, and suspension shall

commence the next school day following the incident. A meeting shall thereafter be held between the student, parent(s), teacher (if involved), and Director of School Ministries as soon as possible after suspension is imposed to discuss the nature and severity of the matter, and to take steps to ensure that no further misconduct will occur.

8. Behavioral Probation – The student has demonstrated continual or severe misconduct and a written probation plan is put in place. Failure to abide by the Behavior Probation plan will result in the recommendation for expulsion.
9. Expulsion – Defined as the removal of a student from the school for a minimum of the remainder of the school year. The Director of School Ministries will set up a meeting with the student, parent(s), teacher (if involved), and the School Policy Committee or committee assigned by the Peace Board of Directors. After hearing the evidence, and having given all concerned the opportunity to speak, the School Policy Committee will determine whether or not the student will be expelled. The student will be suspended until this hearing is held and a determination by the School Policy Committee is made.
10. Law Enforcement – In appropriate cases, a referral of the matter to law enforcement authorities also may be made.

F. RULES FOR CHILDREN

1. Children entering the school prior to 7:25 A.M. are required to proceed to the K-8 Before School Care area. Only students with special permission (such as safety patrol) are allowed in other areas of the building.
2. Running in the school building is not permitted at any time.
3. Gum chewing is not permitted anywhere in the building or on school grounds at any time.
4. Children moving in organized groups from place to place in the building are asked to do so quietly and orderly.
5. All children are expected to keep school and church property neat and clean.
6. Washrooms, corridors and locker rooms are not to become places for congregating and loitering.
7. All children are expected to leave the building and grounds promptly after dismissal. The only students remaining past 3:25 P.M. should be in scheduled activities or by special arrangement. Students who remain on the school grounds after 3:25 P.M. are required to proceed to the K-8 Afterschool Care area.
8. Throwing snowballs is not permitted on the school grounds or in the general school vicinity, including during non-school hours (e.g. evening activities).

9. Children are not to leave school grounds during the day without written permission. Parents picking up children during school hours must do so at the child's classroom after completing sign-out in the office.
10. Students are not to use or enter gender specific restrooms and locker rooms that are not designed for the student's birth gender. Students requiring a private facility should contact the school Director of School Ministries directly, or through their parent(s)/or guardians.
11. "Heelies" in shoes are not allowed in the school.
12. It is the duty of all teachers and staff to correct any child out of order.

G. NUISANCES

Such as comic books, objectionable magazines, CDs, squirt guns, electronic entertainment devices (ex.: iPods, DS systems, etc.) and the like should not be brought to school, however, some parents allow their children to bring these for usage when riding the bus. If this is the case, these items should be kept in their book bag or locker. Teachers are not responsible for monitoring the loss of these items. The best policy is to leave them home. If such items are being used during the school day inappropriately, they may be confiscated and may not be returned. The use of these items at school for educational purposes must have the prior approval of the teacher.

H. CELL PHONE AND ELECTRONIC COMMUNICATION DEVICES

A student may NOT use personal cell phones or electronic communication device (ECDs) at school during school hours (7:25 a.m. – 3:25 p.m.). ECDs MUST be off and stored out of sight with the homeroom teacher while on campus. On campus after school usage is only allowed when absolutely necessary, with school staff/coach permission and supervision. Students who move classrooms for math must have a separate calculator to use. They will not be allowed to use their phones as calculators.

Student ECDs misused or creating a disturbance during school-related functions may be confiscated by school personnel.

Students needing to call home while at school MUST have teacher permission, use a school phone and be supervised. Making social arrangements is not a valid reason for calling home. The use of ECDs in locker rooms and bathrooms is strictly prohibited at all times.

If an ECD is seen, used or heard during the school day without the specific consent of a supervising teacher or adult, it will be confiscated and considered a discipline matter. The device will be returned only to a parent or guardian.

A second offense within a school year will be considered belligerence and result in the right of having an ECD on campus revoked.

VIII. WORSHIP SERVICES

A. CHAPEL

Each week grades K through eight meet together in the gym for a worship service. The service is usually on Wednesday at 7:55 A.M. The exception would be special occasions such as Maundy Thursday, Ascension, etc., when the week's worship would be held on those special days. The services are conducted by staff personnel or individual classes. Offerings are gathered at the services for special mission and home projects. Parents and friends are encouraged to attend these services and worship with us. Students in the Early Childhood program have a monthly chapel designed specifically for them.

Students have a Christian responsibility to positively participate in worship. Chapel Families will be put together including students from grades K through 8 to assist in this process. Older students in grades 5 through 8 are expected to serve as mentors to the younger students in grades K through 4.

B. CHRISTMAS SERVICES

Students in Preschool through eighth grade annually present a Christmas worship service for the congregation prior to Christmas. All students are expected to take part in this service.

C. WEEKEND WORSHIP

Peace Lutheran Church provides an opportunity to worship on Sunday mornings at 9:00 and 11:15 A.M. The 11:15 A.M. service uses a more contemporary format. A 5:30 P.M. youth service is also available on Sunday evening. In addition, an evening service is held on Saturday evenings at 6:30 P.M. at the Lawndale campus. Regular family attendance at these services is an essential part of the worship life of every Christian family.

IX. MISCELLANEOUS

A. HEALTH AND SAFETY SERVICES

A systematic program of vision and hearing testing is conducted by the County Health Department. All immunizations required and made available to all children as a public service are likewise available to our students. If a child contracts certain communicable diseases (pink eye, impetigo, etc.) he may not attend school until the doctor has granted permission.

B. MEDICATION

Special procedures must be followed in order for a student to take medication while at school. When a child is in need of medication, parents must fill out forms, which are available in the school office. Such medication will be stored in the school office. Medication must be picked up at the end of the school year or it will be destroyed. This is State of Michigan law.

C. DRESS CODE

In order to maintain an efficient educational climate, a dress code is enforced. The current dress code is printed in Appendix A.

D. TELEPHONE / E-MAIL

The phone number of our school is 792-2581. Parents are kindly requested to use their good judgment in calling teachers and students, and when possible, calls should be made before school, during the noon hour, or at recess time. Only in cases of extreme emergency should a teacher or pupil be called from the classroom. The school secretary is available daily from 7:35 A.M. to 3:35 P.M.

After 2:00 P.M., parents can get emergency messages to students by calling the office number. Please call the office NO later than 2:30 P.M., except for extreme emergencies, in order to assure messages are transmitted to the classroom. Thank you.

Parents are encouraged to use email when contacting teachers so as to not interrupt classroom teaching time. Teachers will return emails as quickly as possible; however, they may not be received until after the end of the school day.

E. PICTURES

A photograph of each student will be taken in the fall for records purposes. Copies of these photographs may be purchased from the photographer. Students who order pictures will automatically receive a school yearbook. If the student chooses not to order pictures, they may just purchase a yearbook. Yearbook orders must be completed

F. YEARBOOK

A school yearbook is published each spring. It includes individual pictures of students as well as various school activities. This is ordered at the time of fall pictures.

G. PEACE CONNECTIONS

“Peace Connections” is sent via “Jupiter Grades” e-mail to everyone who has registered. “Peace Connections” is the main communication tool used by Peace Lutheran School with its parents. It is also available on the school website and the Peace Ministries Facebook page.

H. PARENT- TEACHER- LEAGUE

Our school is affiliated with the National Lutheran Parent-Teacher League and holds regular events throughout the year. The PTL serves to bring families together for sharing and Christian fellowship. Fundraisers are conducted to raise funds for programs and for school improvement. Every parent is a member of the PTL and is encouraged to participate.

I. LOST AND FOUND

Each year various items of clothing and other belongings accumulate here at school, because they were either misplaced or neglected. Parents are urged to label all clothing so there is minimum confusion as to the owner, and please insist that your child brings home all items each night. Unclaimed articles are sent to a charitable institution periodically throughout the school year.

J. EARLY CHILDHOOD PROGRAM

Peace Lutheran School is a Preschool through Grade 8 school. Our school provides early childhood education for Preschool students 3 years of age as well and Pre-kindergarten students 4 years of age. We invite our school families to participate in our early childhood classrooms. Contact the Early Childhood office for more information.

K. HOT LUNCH

A daily hot lunch program is provided through the Saginaw Township Community Schools Food Service Department. Menus are published on a monthly basis. Account balances can be accessed via the Internet by logging onto the website at <http://lunch.stcs.org> after obtaining a login and password from the township.

Money for multiple meals may be added to a student's hot lunch card on the first day of the week. Those wishing to do so should put the proper amount of money in an envelope with the student's **complete** name and class on the outside of the envelope. This envelope is to be given to the teacher at the beginning of the school day. The teacher will have the cards available at lunch time. Checks should be made payable to "Saginaw Township Food Service" or "STFS". Students may also pay the cashier on a daily basis.

If a student fails to have money or money on their card on a given day, the student may receive lunch on a charge basis. The student will be asked to fill out forms recording the charge, which will include a notice to the parent that the charge was made. That charge needs to be paid **the next school day**. Students who accumulate more than three (3) IOU's will be given and charged for a cheese sandwich until the IOU's are paid.

L. PARENT AND TEACHER COMMUNICATION

Peace Lutheran parents are welcome to visit classrooms at any time provided they have approval first from the office and then from their child's teacher. Advanced notification is appreciated by all parties, in that a particular day may have planned activities (field trip, assemblies, practices, etc.) that do not follow a regular schedule and is not conducive to a classroom visit.

If a parent needs to speak with a teacher regarding a particular classroom concern such as homework, procedures, etc., **the appropriate time to do this is not during the teaching periods, especially not at the start of the day**. Please call to set up an appointment or stop by after 3:15 P.M. We welcome the opportunity for communication, but prefer it not cause an interruption during the

teaching day. Please be considerate of our teachers so they can give you the time you need for communication and address the concerns you have.

M. GRIEVANCE PROCEDURE

As Christians we are bound by what our Lord tells us in Holy Scripture. In Matthew 18:15 Jesus said, “If your brother sins against you, go and show him his fault, just between the two of you.” Thus, the first step whenever there is a disagreement involves working directly with the person involved. If that does not resolve the issue, other people are available to help. Students certainly have the opportunity to request their teacher’s help. The Director of School Ministries may be contacted for help with issues that are not resolved previously. Concerns regarding school policy may be referred to the School Policy Committee for review through the school Director of School Ministries.

In the event that the concern remains even after Director of School Ministries and/or SPC review, a letter defining the concern may be submitted to the executive committee (Lead Pastor, Executive Director of Ministries, Director of School Ministries, SPC Chair and SPC BOD member). All decisions of the executive committee are final.

N. PETS

Please be aware that pets (dogs, cats, etc.) should not be brought into the school unless prior arrangements have been made with the classroom teacher for “Show & Tell” programs, speeches, etc. Some of our students, for example, are very afraid of dogs in general, no matter what the size, type, etc., and there is the issue of allergies as well with some students and certain animals.

O. COLD WEATHER RECESS POLICY

Be sure your child is dressed appropriately for the weather. We expect all children to go outside during recess periods. A warm jacket or coat, hat, snow pants, gloves or mittens, and boots are strongly suggested to be worn in cold weather.

Students will be kept inside during recess if:

- the temperature is 0 degrees or below with the wind chill factored in;
- there is rain, excessive wind, hail, or other conditions that make it unsafe

P. RECESS PARTICIPATION POLICY

Students must participate in recess with the classroom as it is an important part of our school day. Inside supervision is not available.

In the event of a medical need, arrangements will be made with a doctor’s note for extraordinary circumstances; however, we ask that students not well enough to participate in recess remain home until well enough to participate in the entire school experience.

Students may be asked by a teacher to stay inside for recess to make up work, receive additional assistance, conference with a teacher or in the event that a recess detention is given as a result of playground or other misbehavior. The teacher will then provide appropriate supervision.

Q. FUNDRAISERS

Any fund-raising activities of the school or any related group (Eighth grade, PTL, Athletic Association, etc.) must have the approval of the Director of School Ministries before any comm, staff, parents, etc.) would make a personal profit will not be considered. Rebates and cash gifts are to be included in the funds for which the fundraiser was intended. Merchandise gifts may be kept by the person responsible for the fundraiser or the person doing the major work on the project.

R. STUDENT DROP OFF AND PICKUP

Morning drop-off of students will be by a continuous line around the circle in front of the building. Students will enter through the main door under the canopy. If parents need to come into the building or there will be another delay, please go into the south parking lot. The doors closest to that lot will be available at that time.

Students may exit the vehicle anytime that they are next to the sidewalk in the circle. Students should exit the right hand side of the vehicle so they won't need to cross traffic. Drivers should maintain a single file line so others are not surprised by a vehicle to their left.

Early arrival students will use the entrance for the Early Childhood which is marked E4 using the sidewalk from the south parking lot.

Students are expected to be outside until the 7:35 A.M. bell and are not to arrive earlier than 7:25 A.M. unless they are going to latchkey. No one is permitted to enter the building before 7:35 A.M. unless they are on Safety Patrol.

Pickup

Afternoon pickup will take place primarily in the south parking lot. Only the bus will use the circle in the afternoon.

Primary students will exit the door between their wing and the cafeteria and follow the sidewalk along the west end of the parking lot. Middle grade students will go straight down their hall and out of the building, following the sidewalks to the west end of the south parking lot. Upper grade students with younger siblings or those riding with other younger students will come down the hall to the commons and then follow the middle grade exit. Upper grade students that do not have younger ones with them may be picked up from the north lot. They would use the exit at the end of their hall.

Students will go to vehicles using the safety zones between the rows of parking. Vehicles are not to cross those safety zones when students are present.

There will be no parking in the spaces closest to the building in order to allow students to see the parking lot better.

On the exit drive, vehicles needing to go north on Lawndale should be on the left hand side to allow those turning right out of the drive to do so without having to wait behind those needing to make a left turn.

We depend on everyone's cooperation to help keep our students safe.

S. REFORMATION DAY/OCTOBER 31

This date has historically been the Lutheran celebration of the Reformation. It is also the day that many people recognize as the “secular holiday” of Halloween. Peace Lutheran School (Kindergarten – grade 8) will not sponsor parties or celebrations that specifically acknowledge, or are related to Halloween. It is understood that some parents may want to bring treats on that day. If that is the case, each classroom teacher will determine as to how he/she will distribute those treats should they be brought to school. It is a Biblical principle, if at all possible, to not give offense to others. Out of respect for that principle, Peace Lutheran School will not celebrate Halloween in any formal way.

T. PUBLIC DISPLAY OF INTIMATE AFFECTION

Public displays of intimate affection are age appropriate at a certain stage in a person's life, but are not appropriate at the grade school level. The holding of hands, kissing, intimate embracing, etc. will not be allowed on school grounds or during school sponsored events. The parents of students found in violation of this policy will be contacted by school personnel (Ex. teacher, Director of School Ministries). If the violation of this policy continues, the School Policy Committee will become involved.

U. JUNIOR HIGH CLASS TRIP ACCOMPANYING ADULT POLICY

All tuition and fees must be paid in full for any junior high student to be eligible to have an accompanying adult on the end of the year junior high class trip.

Appendix

Peace Lutheran School Dress Code for Grades K – 8

Adopted: 01/19/2018

Next Review Date: 10/1/2023

As Christians, we are guided by a sense of responsibility to *“let our light so shine before men that they may see your good deeds and praise your Father in heaven.” Matthew 5:15*

Each student will dress in a manner that will not interfere with an orderly, wholesome, and productive school life. In addition, one of the responsibilities of maturity is to dress in a manner that is fitting to the occasion. General principles to be followed are: Christian modesty and neatness. Students should dress in conformance with common expectations for their birth gender.

The school reserves the right to make decisions on what is or is not acceptable.

If a student is deemed to be in violation of the school dress code the attached violation notice will be sent home to the parent/s to notify the family. If the violation is repeated or offensive enough and the student is sent to the office, the student will not be allowed to return to class until he/she is dressed in a manner that does meet dress code requirements. Repeated violations will be considered insubordination and may result in additional discipline.

Violations of the dress code will be handled in the following manner:

- The teacher will explain the violation to the student. The student may be asked to phone a parent/guardian to report the violation or a note may be sent home.
- If the violation is not immediately correctable by the student or parent, the student may be removed from the classroom until an appropriate solution is found.

- The second violation may result in a detention.
- The third violation may result in a one-day suspension from school.
- Persistent violations will be handled according to the code of conduct, which could include further suspensions and expulsion.
- Violations during the last week of school may result in the student being removed from the Awards Assembly, other end-of-the-year events, and his or her report card being held.

Exceptions to these rules will be considered when made by parent for the health/physical conditions of their children, when presented to and after having met with the approval of the Director of School Ministries. A physician's note may be required.

Modesty is always the goal. Ultimately, school personnel will decide what is or is not appropriate for school. We do ask parents to work in partnership with us and to be the first level enforcement of dress code when students are dressing for the day.

VIOLATIONS OF THE PEACE TECHNOLOGY ACCEPTABLE USE POLICY	17

GUIDELINES AND PROCEDURES

Purpose

Student computers will be used to enhance the curriculum and learning opportunities for students, parents and school staff. The Student computer represents a tool that provides essential learning at home as well as school. Peace Lutheran encourages and supports the use of this technology at home and provides clear expectations for the proper use and care of the equipment.

Privilege vs. Right

Student use of computer equipment, networks and internet services provided by the school are a privilege, not a right; students are required to comply with school policy in order to maintain access to technology. Students who violate the policy may have their computer privileges revoked at school and may lose the use of the computer. The teachers and Administration shall have final authority to decide whether a student's privileges will be limited or revoked.

Equipment Policy

- All computers remain under the control, custody and supervision of Peace Lutheran Ministries; computers, chargers, and/or other peripherals cannot be sold, pawned, or traded for any financial gain.
- The student and/or student's parent/guardian shall be responsible for compensation in regards to any loss, cost or damage incurred by Peace Lutheran Ministries related to violations of policy and/or administrative procedures, including investigation of violations to the Technology, charger, and/or case.
- Stolen computers, chargers, and/or cases should be reported within 48 hours to the student's teacher, Director of School Ministries and/or assistant Director of School Ministries, as well as to the local law enforcement agency.
- Any unauthorized charges, including but not limited to, credit card charges, long distance telephone charges, equipment and line costs, or any illegal copyright charges will be the responsibility of the student and/or student's parent/guardian.
- The school reserves the right to monitor all computer and internet activity by students. Students and parents/guardians should have no expectation of privacy in their use of any computer provided by the school, including email and stored files.
- Security issues must be addressed immediately by informing the supervising teacher; any user who attempts or causes a breach of system security shall have their privileges revoked and may be subject to additional disciplinary and/or legal action.

Safety and Security

While all legal reasonable precautions are routinely taken to supervise student use of the internet while on school grounds, Peace Lutheran Ministries cannot reasonably prevent all inappropriate uses outside of the school. Peace Lutheran Ministries provides internet filtering to block inappropriate content and has a ZERO tolerance policy for accessing inappropriate content, e.g. pornographic material, gang related material, drug paraphernalia, violence, etc.

As part of the curriculum at Peace Lutheran Ministries, students will be taught how to use the Internet and proper Internet safety measures. Students will be taught to never reveal their full name, address, or telephone number over the internet without parent supervision and approval. Students will be also be taught proper search techniques, and how to prevent computer damage through Internet and email delivered viruses and spam, including notifying their parent/guardian and/or supervising teacher if they access information or messages that are from an unknown source or contain dangerous, inappropriate language or make them uncomfortable in any way.

Students will be expected to continue practicing good computer and Internet habits at home and it is the expectation that the student computer will be used in a common family location so that adult supervision will be maintained. Parents/Guardians have the right to their child's login and password to supervise the student's computer usage at home.

ACCEPTABLE USE AGREEMENT: INTERNET/INTRANET

2019-2020 School year - Including Summer Programs*

Peace Lutheran School - **Elementary Level** - (Grades K - 5)

Computer technology is an integral component of today's education. The Internet is a vast resource that enables students to access thousands of files of information. While the school provides access free of additional charge, it is a privilege. Peace has taken certain precautions against inappropriate and unauthorized use of the Internet at school including content filters, monitoring programs, and close faculty supervision. However, parents and students must also do their part to insure safe and educational use of the school's Internet facilities.

As a part of my schoolwork, my school gives me the use of its computers for my work. My behavior and language will honor God by following the same rules I follow in my class and in my school. To help myself and others, I make this covenant:

1. I will use the computers only to do school work, as explained to me by my teacher and not for any other reason. I will not use a school computer for personal or illegal purposes.
2. I will use the Internet/Intranet only in ways the teacher has approved.
3. I will not give my password to anyone else (except if my teacher needs to help me), and I will not ask for or use anyone else's password.
4. I will not put my address or telephone number, or any other personal information about myself or anyone else on the computer.
5. I will not upload, link, or embed an image of myself or others to non-secured, public sites.
6. I will not use games or other electronic resources that have objectionable content or that engage me in an inappropriate simulated activity.
7. I will be respectful of others' ideas and opinions. I will not use the computer to annoy, be mean to, frighten, tease, or poke fun at anyone. I will not use swear words or other rude language.
8. I will not use the computer to bully or threaten anyone, including teachers, schoolmates or other children.
9. I will not try to see, send, or upload anything that says and/or shows bad or mean things about anyone's race, religion, gender or makes me feel uncomfortable.
10. I will not damage the computer, the computer desk, computer accessories or anyone else's work.
11. I will not break copyright rules or take credit for anyone else's work.

12. I will **not** try to fix it myself but I will tell the teacher if I have or see a problem. *If the problem is an inappropriate image I will turn off the monitor and then seek help.*
13. I will not block or interfere with school or school system communications.
14. I will not try to hide what I am doing. My computer use is not private; my teacher may look at my work to be sure that I am following these rules, and if I am not, there will be consequences which may include not being able to use the computer.

I know that the conduct that is forbidden in school or at a school sponsored function is *also* forbidden when I use computers outside of school. If my choices interfere with other students' education or safety, or if I break the rules, there will be consequences in school.
