Our signatures above verify that we have met the expectations of the Peace Member in Good Standing policy (attached) by attending at least 50% of services at Peace. We understand that at least one parent and all students must be in compliance with the Member in Good Standing policy in order to receive Peace member tuition rates. Compliance demonstrated by worship attendance and completion of this form assures Peace members are receiving the appropriate member tuition rates both at Peace Lutheran School and Valley Lutheran High School.

If for some reason you did not meet the expectations of the Peace Member in Good Standing Policy due to extraordinary circumstances and you would like special consideration to receive Peace member tuition rates, please explain your circumstances below. The Peace Pastoral team will review your request for special consideration.
